## AXA Bike Security

AXA Bike Security is inextricably linked to cycling culture. For more than 115 years, the company has made every effort to protect cyclists and their bikes. As a genuine bike fan, AXA Bike Security knows exactly what cyclists need to safely and confidently take to the road.

Our engineers convert the latest requirements and developments into user-friendly, sustainable products. And thanks to our own production facilities in Europe, AXA can always guarantee constant high quality. This way AXA contributes to the safety and pleasure of the growing worldwide group of people who embrace the bike as a healthy and sustainable means of transportation.

Allegion (NYSE: ALLE) is a global pioneer in the field of safety and security. We keep people and their property safe, wherever they are, bringing together simple solutions and advanced technology. Allegion is a \$2 billion company, with products sold in almost 130 countries.

## AXA Absolute and Resolute SERIES The latest generation cable- and chainlocks

# For every bike the right lock

AXA introduces a completely new range of cable and chain locks. With the AXA Resolute and Absolute we have an extensive range from cable locks for children's bicycles up to chain locks with a 2 star ART approval. We have a right lock for every bike.

## Complete new range cable- and chainlocks

### New lock head

The range has newly designed lock heads that fit together perfectly with a ergonomic and modern design. With this we have created a family feeling that not only looks good on the bicycle but also on display in your store. With the metal elements in the head, the locks get an elegant finish.

### AXA Absolute and Resolute

- Modern, ergonomic design
- 1 family look and feel
- Designed for daily use
- International key service

### Display the chains

To be able to display the chains nicely in your shelf we have designed a special bar. The accompanying hooks are made extra strong so that they do not bend when the weight of the chains are on it. With the striking orange color the consumer attention is directly drawn to these beautiful and lucrative chains.

Special chain bar with extra strong hooks

AXA Basic - Cable lock holder

AXA Universal - Cable lock holder

### AXA Cable lock holders

For the AXA Resolute series there are two types of holders suitable for each cable lock type. For the light type cable locks there is the AXA Basic. For the heavier cable locks we have the AXA Universal holder.

### Maintenance

Maintain your lock regularly. We strongly advice you to lubricate your lock on a regular base. A well maintained lock is a reliable lock. For lubrication we advice you to use AXA Lock Spray.

## Our advice

- Always use a second lock
- Secure your bike to a fixed object
- Place your lock high on the bike
- Put the lock through the frame of your bike

## Cable locks

# AXA Resolute

With the new Resolute cable locks, AXA has a complete range for people who like to use a light lock. The cables are easy to carry with the accompanying holder. In addition to the variants with a key, we also have cables with a code lock.

Petrol blue Army green Purple Matt black

The 6 and 8 mm version are available in contemporary colors. The cables in petrol blue, purple and army green fit perfectly with the fashionable bikes that you find everywhere.

## Chain locks

# AXA Absolute

AXA introduces the new Absolute chain range that runs from a light 5 mm chain to a 9 mm chain with ART 2 stars approval. All chains are suitable for daily use and matches perfectly together thanks to the new and modern design.

Every chain has a strong polyester sleeve that protects the bike against damage. The cylinders are protected against moisture and dirt and some are equipped with a handy click-in function. This means that the key no longer needs to be turned to close the lock. The Absolute has chic stainless steel details, making it an asset to any bike.
